Integrated top channels

Easy on, easy off

Touch pad & central locking option

No side pods means greater bed access

Black textured or smooth finish

TANGO
PRO-FORM
TOYOTA
HILUX
SR5

TANGO

Vehicle Transfomation System

***TANGO** is the game changer of the pickup bed.*
***Our TANGO** vehicle transformation system is the first bed rail channel system that offers complete customisation to whatever your work or play needs. Add bikes to the top of your bed, and put your gear underneath! Clip on some tie downs, add a rack, styling bar or our **LOADMASTER** bed divider, the sky is the limit.*

- *Fully compatible with Thule and Rhino Rack accessories*
- *Clip on a SPORTLID in less than 1 minute*
- *Swap and change racks and accessories as you require*
- *Sportbar compatible*
- *Non drill fitment*
- *Rated to 75kg*
- *Protects your bed rails*
- *Made in New Zealand*

LOADMASTER PRO-FORM

A super tough, super practical bed divider which can slide to any position along the TANGO rail to put an end to broken cargo!

SPORTBAR
PRO-FORM

TOUGH AND STYLISH

- *Made from tough Stainless Steel*
- *Polished or matte black finish options*
- *LED brake light option*
- *Bolts to SPORTLID aluminium frame*
- *Can fit directly to TANGO*
- *Easy fitting and removal*
- *Made in New Zealand*

SPORTGUARD™
PRO-FORM

Five piece liner, snap fits together

Single packed into one convenient box

Tailgate cap on or cap off option

SPORTGUARD™

Revolutionary bed protection

Perhaps the most innovative bedliner ever made, using a five piece design, the SPORTGUARD has many features which overcome the limitations of traditional bedliners.

- *Non-skid rubber floor protects your cargo and your truck bed*
- *Single units can be packed into one convenient box*
- *Stylish design, beyond a standard liner*
- *Snap-fit installation in just minutes using only basic tools*
- *Non drill fitment*
- *Access to factory tie hooks*
- *Cap on or cap off tailgate options*
- *Made in New Zealand*

SPORTGUARD's rubber HDPE floor is not only super tough but super grippy, giving it far greater functionality over traditional liners

BEDLINER

PRO-FORM

Contoured to fit the vehicle

Under-rail or over-rail option

Tailgate cap on or cap off option

BEDLINER

***PRO-FORM** bedliners are the best in the business, made from advanced plastic engineering using UV and chemical resistant Polyethylene that is tough, durable and won't corrode in any environment that your Toyota Hilux operates in.*

- *Chemical & UV resistant*
- *Superior impact and tensile strength*
- *Under or over rail options*
- *No-drill fitment*
- *Integrate with SPORTLID's, canopies TANGO and more*
- *Access to factory tie hooks*
- *Tailgate cap on or cap off options*
- *Made in New Zealand*

Our Toyota Hilux over-rail bedliner is a great option for bed rail protection, particularly in high use industrial applications.
